b. By executing this Agreement, Consultant warrants that:

- (1) it has thoroughly investigated and considered the work to be performed;
- (2) it has investigated the issues, regarding the scope of services to be provided;
- (3) it has carefully considered how the work should be performed; and
- (4) it fully understands the facilities, difficulties and restrictions attending performance of the work under this Agreement.

c. Should Consultant discover any latent or unknown conditions materially differing from those inherent in the work or as represented by the City, it shall immediately

inform the City of such fact and shall not proceed except at Consultant's risk until written instructions are received from the City Manager or appropriate City representative.

d. Consultant represents that it has obtained and will maintain at all times during the term of this Agreement all professional and/or business licenses, certifications and/or permits necessary for performing the services described in this Agreement, including a City of Rancho Mirage business license.

Section 16. COMPLIANCE WITH LAWS

Consultant shall comply with all local, state and federal laws and regulations applicable to the services required hereunder.

Section 17. INDEMNIFICATION

a. Consultant shall defend, indemnify and hold harmless the City, its officers, officials, agents, employees and volunteers from and against any and all claims, demands, actions, losses, damage, injuries, and liability, direct or indirect (including any and all costs, expenses and attorneys' fees in connection therewith), arising out of the performance of this Agreement, except for any such claim arising out of the sole negligence or willful misconduct of the City, its officers, agents, employees or volunteers.

b. The City does not, and shall not, waive any rights that it may have against Consultant under this Section because of the acceptance by the City, or the deposit with the City, of any insurance policy or certificate required pursuant to this Agreement. The hold harmless, indemnification and duty to defend provisions of this Section shall apply regardless of whether or not said insurance policies are determined to be applicable to the claim, demand, action, damage, liability, loss, cost or expense described herein. As set forth in and without limiting the generality of Section 18i, any applicable insurance policy limits do not act as a limitation upon the amount of indemnification to be provided by Consultant.

c. Notwithstanding the provisions of subsections a. and b. of this section, Consultant shall not be responsible for damages or be in default or deemed to be in default by reason of delay caused by strikes, lockouts, accidents, or acts of God, or the failure of the City to furnish timely information or to approve or disapprove Consultant's work promptly, or by reason of delay or faulty performance by the City, construction contractors, or governmental agencies, or by reason of any other delays beyond Consultant's control, or for which Consultant is without fault.

d. The indemnity provisions contained in this Section shall survive expiration or sooner termination of this Agreement.

Section 18. INSURANCE REQUIREMENTS

a. Policies. Consultant, at Consultant's own cost and expense, shall procure and maintain, for the duration of this Agreement, the following insurance policies:

(1) Worker's Compensation Coverage. Consultant shall maintain Worker's Compensation Insurance and Employer's Liability Insurance for its employees in accordance with the laws of the State of California. In addition, Consultant shall require each subcontractor to similarly maintain Worker's Compensation Insurance and Employer's Liability Insurance in accordance with the laws of the State of California for all of the subcontractor's employees. If any class of employees employed by Consultant pursuant to this Agreement is not protected by the California State Worker's Compensation Law, Consultant shall provide adequate insurance for the protection of such employees to the satisfaction of the City. This provision shall not apply if Consultant has no employees performing work under this Agreement. If the Consultant has no employees for the purposes of this Agreement, Consultant shall sign and attach the Certificate of Exemption from Worker's Compensation Insurance, attached hereto and incorporated herein by this reference as Exhibit "B." Consultant agrees to waive its statutory immunity under any worker's compensation or similar statute, as respecting the City, and to require any and all subcontractors and any other person or entity involved in the Services to do the same.

(2) General Liability Coverage. Consultant shall maintain commercial general liability insurance in an amount not less than one million dollars (\$1,000,000) combined single limit per occurrence, and two million dollars (\$2,000,000) in the aggregate, for bodily injury, personal injury and property damage. Consultant shall provide insurance on an occurrence, not claims-made basis. Consultant acknowledges and agrees that, for purposes of clarification with the intention of avoiding gaps in coverage with any umbrella or excess coverage, personal and advertising injury coverage shall be triggered by an "offense" while bodily injury and property damage coverage shall be triggered by an "occurrence" during the policy period.

(3) Automobile Liability Coverage. Consultant shall maintain commercial automobile liability insurance covering bodily injury, personal injury and property damage for all activities of the Consultant arising out of or in connection with the work to be performed under this Agreement, including coverage for owned, hired and non-owned vehicles, in an amount of not less than one million dollars (\$1,000,000)

combined single limit per occurrence, and two million dollars (\$2,000,000) in the aggregate.

(4) Professional Liability Coverage. Consultant shall maintain professional errors and omissions liability insurance for protection against claims alleging negligent acts, errors or omissions which may arise from Consultant's Services, whether such Services are performed by Consultant or by its employees, subcontractors, or sub-consultants. The amount of this insurance shall not be less than one million dollars (\$1,000,000) per claim, and two million dollars (\$2,000,000) in the aggregate.

b. Endorsements. Unless otherwise specified hereunder, each insurance policy required herein shall be with insurers possessing a Best's rating of no less than A:VII and shall be endorsed with the following specific language:

(1) Notwithstanding any inconsistent statement in any required insurance policies or any subsequent endorsements attached thereto, the protection offered by commercial general liability and commercial vehicle liability coverages, shall bear an endorsement whereby it is provided that, the City and its officers, employees, servants, volunteers and agents and independent contractors, including without limitation, the City Manager and City Attorney, are named as additional insureds with respect to liability arising out of work performed by or on behalf of the Consultant, including materials, parts or equipment furnished in connection with such work or operations. Additional insureds shall be entitled to the full benefit of all insurance policies in the same manner and to the same extent as any other insureds and there shall be no limitation to the benefits conferred upon them other than policy limits to coverages.

(2) With the exception of workers' compensation and professional liability insurance, this policy shall be considered primary insurance as respects the City, its elected or appointed officers, officials, employees, agents and volunteers. Any insurance maintained by the City, including any self-insured retention the City may have shall be considered excess insurance only and shall not contribute with it.

(3) This insurance shall act for each insured and additional insured as though a separate policy had been written for each, except with respect to the limits of liability of the insuring company.

(4) The insurer waives all rights of subrogation against the City, its elected or appointed officials, officers, employees or agents.

(5) Any failure to comply with reporting provisions of the policies shall not affect coverage provided to the City, its elected or appointed officers, officials, employees, agents or volunteers.

(6) The insurance provided by this policy shall not be canceled except after thirty (30) days written notice has been mailed to the City and ten (10) days notice if cancellation is for nonpayment of premium.

c. Deductibles and Self-Insured Retentions. Consultant shall be responsible for payment of any deductibles contained in any insurance policies required hereunder and shall also be responsible for payment of any self-insured retentions. Any deductibles or self-insured retentions must be declared to and approved by the City. At the City's option, Consultant shall demonstrate financial capability for payment of such deductibles or self-insured retentions.

d. Certificates of Insurance. Consultant shall provide certificates of insurance with original endorsements to the City as evidence of the insurance coverage required herein. Certificates of such insurance shall be filed with the City on or before commencement of performance of this Agreement. Consultant agrees to ensure that the most current certification of insurance is on file with the City at all times during the term of this Agreement.

e. Imposition of Insurance Requirements. Provided the City gives its written consent for any persons other than Consultant to perform any part of the Services, Consultant agrees to require that all parties, including but not limited to subcontractors, architects, engineers or others with whom Consultant enters into contracts or whom Consultant hires or retains pursuant to or in any way related to the performance of this Agreement, provide the insurance coverage required herein, at minimum, and name as additional insureds the parties to this Agreement. Consultant agrees to monitor and review all such coverage and assumes all responsibility for ensuring that such coverage is provided in conformity with the requirements of this Section.

f. Maintain Coverages. In the event this Agreement is terminated for any reason prior to the completion of all obligations and requirements of this Agreement, Consultant agrees to maintain all coverages required herein until the City provides written authorization to terminate the coverages following the City's review and determination that all liability posed under this Agreement as to the party providing insurance has been eliminated.

g. Failure to Obtain Coverages. Without limiting the generality of the forgoing, Consultant agrees and acknowledges that if it fails to obtain all of the insurance required

in this Agreement in accordance with the requirements herein, or to obtain and ensure that the coverage required herein is maintained by any subcontractors or others involved in any way with the performance of Services, to the extent such is permissible under this Agreement, Consultant shall be responsible for any losses, claims, suits, damages, defense obligations, or liability of any kind or nature attributable to the City or its officers, employees, servants, volunteers, agents and independent contractors; and all Services under this Agreement shall be discontinued immediately until notice is received by City that the required insurance has been restored to full force and effect and that the premiums therefor have been paid for a period satisfactory to City. Any failure to maintain the required insurance, including insurance required of any subcontractors or others involved in any way with the Services, shall be sufficient cause for City to terminate this Agreement.

h. Broader Existing Coverage. In the event Consultant maintains insurance with broader coverage and/or limits of liability greater than those required herein, City requires and shall be entitled to the broader coverage and/or higher limits of liability maintained by Consultant. Any insurance proceeds in excess of the specified minimum limits of insurance and coverage shall be available to City.

i. Separate Obligation from Indemnity. The fact that insurance is obtained by Consultant shall not be deemed to release or diminish the liability of Consultant, including, without limitation, liability under the indemnity provisions of this Agreement. The duty to indemnify and hold the City harmless shall apply to all claims and liability regardless of whether any insurance policies are applicable. The policy limits do not act as a limitation upon the amount of indemnification to be provided by Consultant. Approval or purchase of any insurance contracts or policies shall in no way relieve from liability nor limit the liability of Consultant, its principals, officers, agents, employees, persons under the supervision of Consultant, vendors, suppliers, invitees, sub-contractors, or anyone employed directly or indirectly by any of them.

j. Survival. The requirements set forth in Section 18f shall survive termination of this Agreement.

c. Any failure or delay by a party in asserting any of its rights or remedies as to any default shall not operate as a waiver of any default or of any rights or remedies associated with a default.

d. In the event that a default of any party to this Agreement may remain uncured for more than fifteen (15) calendar days following written notice, as provided

If the City consents to such subcontract, Consultant shall be fully responsible to the City for all acts or omissions of the subcontractor. Nothing in this Agreement shall create any contractual relationship between the City and subcontractor nor shall it create any obligation on the part of the City to pay or to see to the payment of any monies due to any such subcontractor other than as required by law.

Section 24. WAIVER

a. No waiver shall be binding, unless executed in writing by the party making the waiver.

b. No waiver of any provision of this Agreement shall be deemed, or shall constitute, a waiver of any other provision, whether or not similar, nor shall any such waiver constitute a continuing or subsequent waiver of the same provision.
