Design Professional shall maintain commercial general liability insurance in an amount not less than one million dollars (\$1,000,000) combined single limit per occurrence and two million dollars in the aggregate (\$2,000,000) for bodily injury, personal injury and property damage. Design Professional shall provide insurance on an occurrence, not claims-made basis. Design Professional acknowledges and agrees that, for purposes of clarification with the intention of avoiding gaps in coverage with any umbrella or excess insurance, personal and advertising injury coverage shall be triggered by an "offense" while bodily injury and property damage coverage shall be triggered by an "occurrence" during the policy period.

iii. Automobile Liability Coverage. Design Professional shall procure and maintain, at its own expense, commercial automobile liability insurance covering bodily injury, personal injury and property damage for all activities of the Design Professional arising out of or in connection with the work to be performed under this Agreement, including coverage for owned, hired and non-owned vehicles, in an amount of not less than one million dollars (\$1,000,000) combined single limit for each occurrence and two million dollars in the aggregate (\$2,000,000).

iv. Professional Liability Coverage. Design Professional shall procure and maintain, at its own expense, professional errors and omissions liability insurance for protection against claims alleging negligent acts, errors or omissions which may arise from Design Professional's Services, whether such Services are performed by Design Professional or by its employees, subcontractors, or sub-consultants, to the extent such persons other than Design Professional are permitted to perform any of the Services under this Agreement. The amount of this insurance shall not be less than one million dollars (\$1,000,000) per claim, and two million dollars (\$2,000,000) in the aggregate.

B. Endorsements. Unless otherwise specified herein, each insurance policy required herein shall be with insurers possessing a Best's rating of no less than A:VII and shall be endorsed with the following specific language:

i. Notwithstanding any inconsistent statement in any required insurance policies or any subsequent endorsements attached thereto, the protection offered by commercial general liability and commercial vehicle liability coverages, shall bear an endorsement whereby it is provided that, the City and its officers, employees, servants, volunteers and agents and independent contractors, including without limitation, the City Manager and City Attorney, are named as additional insureds with respect to liability arising out of work performed by or on behalf of the Design Professional, including materials, parts or equipment furnished in connection with such work or operations. Additional insureds shall be entitled to the full benefit of all insurance policies in the same manner and to the same extent as any other insureds and there shall be no limitation to the benefits conferred upon them other than policy limits to coverages.

ii. With the exception of workers' compensation and professional liability insurance, this policy shall be considered primary insurance as respects the City, its elected or appointed officers, officials, employees, agents and volunteers. Any insurance maintained by the City, including any self-insured retention the City may have shall be considered excess insurance only and shall not contribute with it.

iii. This insurance shall act for each insured and additional insured as though a separate policy had been written for each, except with respect to the limits of liability of the insuring company.

iv. The insurer waives all rights of subrogation against the City, its elected or appointed officials, officers, employees or agents.

v. Any failure to comply with reporting provisions of the policies shall not affect coverage provided to the City, its elected or appointed officers, officials, employees, agents or volunteers.

vi. The insurance provided by this policy shall not be suspended, voided, canceled, or reduced in coverage or in limits except after thirty (30) days written notice has been received by the City or ten (10) days written notice is received by the City if cancellation, suspension or reduction in coverage is for nonpayment of premium.

C. Deductibles and Self-Insured Retentions. Design Professional shall be responsible for payment of any deductibles contained in any insurance policies required hereunder and shall also be responsible for payment of any self-insured retentions. Any deductibles or self-insured retentions must be declared to and approved by the City. At the City's option, Design Professional shall demonstrate financial capability for payment of such deductibles or self-insured retentions.

D. Certificates of Insurance. Design Professional shall provide certificates of insurance with original endorsements to the City as evidence of the insurance coverage required herein. Certificates of such insurance shall be filed with the City on or before commencement of performance of this Agreement. Current certification of insurance shall be kept on file with the City at all times during the term of this Agreement.

E. Imposition of Insurance Requirements. Provided the City gives its written consent for any persons other than Design Professional to perform any part of the Services, Design Professional agrees to require that all parties, including but not limited to subcontractors, architects, engineers or others with whom Design Professional enters into contracts or whom Design Professional hires or retains pursuant to or in any way related to the performance of this Agreement, provide the insurance coverage required herein, at minimum, and name as additional insureds the parties to this Agreement. Design Professional agrees to monitor and review all such coverage and assumes all responsibility for ensuring that such coverage is provided in conformity with the requirements of this Section.

F. Maintain Coverages. In the event this Agreement is terminated for any reason prior to the completion of all obligations and requirements of this Agreement, Design Professional agrees to maintain all coverages required herein until the City

provides written authorization to terminate the coverages following the City's review and determination that all liability posed under this Agreement as to the party providing insurance has been eliminated.

G. Failure to Obtain Coverages. Without limiting the generality of the forgoing, Design Professional agrees and acknowledges that if it fails to obtain all of the insurance required in this Agreement in accordance with the requirements herein, or to obtain and ensure that the coverage required herein is maintained by any subcontractors or others involved in any way with the performance of Services, to the extent such is permissible under this Agreement, Design Professional shall be responsible for any losses, claims, suits, damages, defense obligations, or liability of any kind or nature attributable to the City or its officers, employees, servants, volunteers, agents and independent contractors; and all Services under this Agreement shall be discontinued immediately until notice is received by City that the required insurance has been restored to full force and effect and that the premiums therefor have been paid for a period satisfactory to City. Any failure to maintain the required insurance, including insurance required of any subcontractors or others involved in any way with the Services, shall be sufficient cause for City to terminate this Agreement.

H. Broader Existing Coverage. In the event Design Professional maintains insurance with broader coverage and/or limits of liability greater than those required herein, City requires and shall be entitled to the broader coverage and/or higher limits of liability maintained by Design Professional. Any insurance proceeds in excess of the specified minimum limits of insurance and coverage shall be available to City.

I. Separate Obligation from Indemnity. The fact that insurance is obtained by Design Professional shall not be deemed to release or diminish the liability of Design Professional, including, without limitation, liability under the indemnity provisions of this Agreement. The duty to indemnify and hold the City harmless shall apply to all claims and liability regardless of whether any insurance policies are applicable. The policy limits do not act as a limitation upon the amount of indemnification to be provided by Design Professional. Approval or purchase of any insurance contracts or policies shall in no way relieve from liability nor limit the liability of Design Professional, its principals, officers, agents, employees, persons under the supervision of Design Professional, vendors, suppliers, invitees, sub-contractors, or anyone employed directly or indirectly by any of them.

J. Survival. The requirements set forth in Section 20F shall survive termination of this Agreement.

INDEMNIFICATION

21. Indemnity.

A. To the fullest extent permitted by law, the Design Professional, as defined in Section 2782.8 of the Civil Code, shall indemnify, defend (with independent counsel approved by the City) and hold harmless the City, and its directors, officers, and employees from and against all liabilities (including without limitation all claims, losses, damages, penalties, fines and judgments, associated investigation and administrative

expenses, and defense costs, including but not limited to reasonable attorneys' fees, court costs and costs of alternative dispute resolution) regardless of nature or type that arise out of, pertain to, or relate to the negligence, reckless, or willful misconduct of the Design Professional or the acts or omissions of an employee, agent or subcontractor of the Design Professional.

B. The City does not, and shall not, waive any rights that it may have against Design Professional under this Section because of the acceptance by the City, or the deposit with the City, of any insurance policy or certificate required pursuant to this Agreement. The hold harmless, indemnification and duty to defend provisions of this Section shall apply regardless of whether or not said insurance policies are determined to be applicable to the claim, demand, action, damage, liability, loss, cost or expense described herein. As set forth in and without limiting the generality of Section 20I, any applicable insurance policy limits do not act as a limitation upon the amount of indemnification to be provided by Design Professional.

C. Notwithstanding the provisions of subsections A and B of this section, Design Professional shall not be responsible for damages or be in default or deemed to be in default by reason of delay caused by strikes, lockouts, accidents, or acts of God, or the failure of the City to furnish timely information or to approve or disapprove Design Professional's work promptly, or by reason of delay or faulty performance by the City, construction contractors, or governmental agencies, or by reason of any other delays beyond Design Professional's control, or for which Design Professional is without fault.

D. The indemnity provisions contained in this Section shall survive expiration or sooner termination of this Agreement.

ENFORCEMENT OF AGREEMENT

22. Entire Agreement. This Agreement constitutes the complete and exclusive statement of Agreement between the City and Design Professional. All prior written and oral communications, including correspondence, drafts, memoranda, and representations, are superseded in total by this Agreement.

23. Waiver. Waiver of a breach or default under this Agreement shall not constitute a continuing waiver of a subsequent breach of the same or any other provisions under this Agreement. Payment by the City under this Agreement shall not be deemed a waiver of defects, even if such defects were known to the City at the time of payment.

24. Default; Breach.

A. Failure or delay by any party to this Agreement to perform any material term or provision of this Agreement shall constitute a default under this Agreement; provided, however, that if the party who is otherwise claimed to be in default by the other party commences to cure, correct or remedy the alleged default within fifteen (15) calendar days after receipt of written notice specifying such default and shall diligently complete such cure, correction or remedy, such party shall not be deemed to be in default hereunder.

B. The party which may claim that a default has occurred shall give written notice of default to the party in default, specifying the alleged default. Delay in giving such notice shall not constitute a waiver of any default nor shall it change the time of default; provided, however, the injured party shall have no right to exercise any remedy for a default hereunder without delivering the written default notice, as specified herein.

C. Any failure or delay by a party in asserting any of its rights or remedies as to any default shall not operate as a waiver of any default or of any rights or remedies associated with a default.

D. In the event that a default of any party to this Agreement may remain uncured for more than fifteen (15) calendar days following written notice, as provided above, a "breach" shall be deemed to have occurred. In the event of a breach, the injured party shall be entitled to seek any appropriate remedy or damages by initiating legal proceedings.

E. In the event Design Professional shall be in material breach of this Agreement, the City shall be permitted to suspend all payments to Design Professional until such time that Design Professional cures the breach to the City's satisfaction. Notwithstanding anything to the contrary, Design Professional's failure to provide all insurance documents, certificates of insurance and endorsements required of Design Professional and as prescribed in Section 20 of this Agreement, by itself, shall be deemed a material breach of this Agreement without the need for the parties to engage in the notice and opportunity to cure process set forth in Subsections a, b and d of this Section 24.

25. Rights and Remedies. Except with respect to rights and remedies expressly declared to be exclusive in this Agreement, the rights and remedies of the parties are cumulative and the exercise by either party of one or more of such rights or remedies shall not preclude the exercise by it, at the same or different times, of any other rights or remedies for the same default or any other default by the other party.

26. Controlling Law Venue. The laws of the State of California shall govern this Agreement and all matters relating to it and any action brought relating to this Agreement shall be held exclusively in a state court in the County of Riverside.

27. Litigation Expenses and Attorneys Fees. If either party to this Agreement commences any legal action against the other party arising out of this Agreement, the prevailing party shall be entitled to recover its reasonable litigation expenses, including court costs, expert witness fees, discovery expenses, and attorneys fees.

28. Counterparts. This Agreement may be executed in one or more counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same instrument. Electronic signatures shall be deemed to constitute evidence of the Agreement having been executed.

29. Authority to Enter Agreement. Design Professional has all requisite power and authority to conduct its business and to execute, deliver, and perform the Agreement. Each party warrants that the individuals who have signed this Agreement have the legal power, right, and authority to make this Agreement and to bind each respective party.

30. Termination. The City may terminate this Agreement immediately for cause. The City may terminate this Agreement without cause upon fifteen (15) days written notice of termination. Upon termination, Design Professional shall be entitled to compensation for services performed up to the effective date of termination. For purposes of this Section, the City Manager shall have the authority to take action on behalf of the City.

31. Force Majeure. Neither CITY nor Design Professional will be held liable for failure to fulfill its obligations hereunder if such failure is due to a Force Majeure Event. A "Force Majeure Event" means, but is not limited to, an act of war; domestic and/or international terrorism; civil riots or rebellions; quarantines, pandemics or epidemics; embargoes, state or national states of emergencies, and other similar unusual governmental actions; or extraordinary elements of nature or acts of God; provided that such Force Majeure Event is beyond the excused Party's reasonable control, occurs without the excused Party's fault or negligence, is not caused directly or indirectly by the excused Party and could not have been prevented or avoided by the excused Party's reasonable diligence.

PRINCIPAL REPRESENTATIVES

32. [INSERT NAME], [INSERT TITLE], is designated as Design Professional's Principal Representative and is the person responsible for undertaking, managing and supervising the performance of all of the services set forth in the Scope of Services for this Agreement. Design Professional's designated Principal Representative's experience, knowledge, capability and reputation were a substantial inducement for the City to enter into this Agreement, and as such, for the purposes of performing the Scope of Services of this Agreement, the duties of Design Professional's designated Principal Representative shall not be reassigned, without the express written consent of both parties.

33. The City's [INSERT TITLE], [INSERT NAME], shall be the Principal Representative of the City for purposes of communicating with Design Professional on any matter associated with the performance of the services set forth in this Agreement.

CITY OFFICERS AND EMPLOYEES

34. Non-liability of City Officers and Employees. No officer or employee of the City shall be personally liable to the Design Professional, or any successor-in-interest, in the event of any default or breach by the City or for any amount, which may become due to the Design Professional or to its successor, or for breach of any obligation of the terms of this Agreement.

35. Prohibited Interests. Design Professional maintains and warrants that it has not employed nor retained any company or person, other than a bona fide employee or

independent contractor working solely for Design Professional, to solicit or secure this Agreement. Further, Design Professional warrants that it has not paid nor has it agreed to pay any company or person, other than a bona fide employee or independent contractor working solely for Design Professional, any fee, commission, percentage, brokerage fee, gift or other consideration contingent upon or resulting from the award or making of this Agreement.

36. Equal Opportunity Employment. Design Professional represents that it is an equal opportunity employer and shall not discriminate against any subcontractor, employee, or applicant (“person”) for employment because of race; denial of family and medical care leave; religious creed (including religious dress and grooming practices); color; national origin (including language use restrictions); ancestry; physical disability or mental disability (including HIV and Aids); medical condition (cancer and genetic characteristics); genetic information; military or veteran status; marital status; gender, gender identity, and gender expression; sex (which includes pregnancy, childbirth, breastfeeding and medical conditions related to pregnancy, childbirth or breastfeeding); age or sexual orientation. Unless otherwise permitted under the law, Design Professional shall not refuse to hire or employ any such person or refuse to select any such person for a training program leading to employment, or bar or discharge any such person from employment or from a training program leading to employment, or otherwise discriminate against any such person in compensation or in terms, conditions, or privileges of employment.

38. Amendments. This Agreement may be modified or amended only by a written document executed by both Design Professional and the City and approved as to form by the City Attorney.

39. Severability. If any term or portion of this Agreement is held to be invalid, illegal, or otherwise unenforceable by a court of competent jurisdiction, the remaining provisions of this Agreement shall continue in full force and effect.

40. Interpretation. The terms of this Agreement shall be construed in accordance with the meaning of the language used and shall not be construed for or against either party by reason of the authorship of this Agreement or any other rule of construction which might otherwise apply.

41. Labor Laws.

A. All work or services performed within the State of California pursuant to this Agreement by Design Professional, Design Professional's employees and independent contractors, or its subcontractors and its subcontractors' employees and independent contractors shall be performed by individuals lawfully permitted to perform such work or services in the State of California and/or the United States of America pursuant to all applicable State and/or Federal labor laws, rules and regulations including, but not limited to, any State or Federal law, rule or regulation prohibiting the employment of undocumented workers or any person not lawfully permitted to perform said work or services in the State of California or the United States of America. Documentation must be promptly submitted to the City at the request of the City, for the purpose of determining whether or not the work or services provided pursuant to this Agreement are being provided in compliance with this section.

B. Design Professional represents that it is an equal opportunity employer and shall not discriminate against any subcontractor, employee, or applicant ("person") for employment because of race, denial of family and medical care leave, religious creed (including religious dress and grooming practices), color; national origin (including language use restrictions), ancestry, physical disability or mental disability (including HIV and Aids), medical condition (cancer and genetic characteristics), genetic information, military or veteran status, marital status, gender, gender identity, gender expression, sex (which includes pregnancy, childbirth, breastfeeding and medical conditions related to pregnancy, childbirth or breastfeeding), age or sexual orientation. Unless otherwise permitted under the law, Contractor shall not refuse to hire or employ any such person or refuse to select any such person for a training program leading to employment, or bar or discharge any such person from employment or from a training program leading to employment, or otherwise discriminate against any such person in compensation or in terms, conditions, or privileges of employment.

C. Design Professional and all of Design Professional's subcontractors, if any, shall pay each employee engaged in all applicable trades or occupation not less than the prevailing hourly wage rate for work of a similar character in the locality in which the public work is performed, and not less than the general prevailing rate of per diem wages for holiday and overtime work. In accordance with the provisions of Section 1770 of the California Labor Code ("Labor Code"), the Director of Department of Industrial

Relations of the State of California has determined the general prevailing rates of wages and employer payments for health and welfare, pension, vacation, travel time, and subsistence pay as provided for in Labor Code Section 1773.8, apprenticeship or other training programs authorized by Labor Code Section 3093 and similar purposes applicable to the work to be done. Said wages are available through the California Department of Industrial Relations' Internet website at <http://www.dir.ca.gov/dlsr/PWD/index.htm> and are on file at City Hall, as provided in Section 1773.2 of the Labor Code. Said rates shall be posted at the project site where work is to be performed, in accordance with Labor Code Section 1773.2. Design Professional shall access a copy of the wage rate determination and shall make all subcontractors, if any, aware of the determination. As the wage determination for each craft reflects an expiration date, it shall be the Design Professional's responsibility to ensure that the prevailing wage rates of concern are current and paid. Subject to the safe harbor provisions of Labor Code Section 1775, Design Professional shall forfeit to the City an amount not to exceed two hundred dollars (\$200) for each calendar day or portion thereof, as set by the Labor Commissioner in accordance with the terms of Labor Code section 1775, for each laborer, workmen or mechanics employed that is paid less than the general prevailing rate of wages herein referred to and stipulated for any work done under the proposed contract, by him, or by any subcontractor under him, in violation of the provisions of the Labor Code, and in particular, Sections 1770 to 1781 inclusive. Design Professional and any and all or its subcontractors shall forfeit to the City twenty-five dollars (\$25) for each worker employed in the performance of this Agreement for each calendar day during which the worker is required or permitted to work more than eight (8) hours in any one calendar day and forty (40) hours in any one calendar week in violation of the provisions of Section 1813 of the Labor Code. In the event the total cost of the Project is thirty thousand dollars (\$30,000.00) or more, Design Professional shall further comply with provisions set forth in Labor Code Section 1777.5 pertaining to employment of properly registered apprentices, including without limitation the obligation to (i) pay employed apprentices the prevailing rate of per diem wages for apprentices in the trade to which he or she is registered and shall be employed only at the work of craft or trade to which he or she is registered; (ii) employ apprentices in at least the ratio as set forth in said section; (iii) submit contract award information to an applicable apprenticeship program; and (iv) contribute to California Apprenticeship Council.

Design Professional and all subcontractors hired to perform any work for the subject project shall keep accurate payroll records, including the name, address, social security number, work classification, straight time and overtime hours worked each day and week, and the actual per diem wages paid to each worker, in accordance with Section 1776 of the Labor Code. Payroll records shall be on forms provided by the Division of Labor Standards Enforcement ("DLSE") or in a manner containing the same information as the forms provided by the DLSE. Failure to comply with the above may result in monetary penalties to the Design Professional or affected subcontractor. Payroll records shall be verified by written declaration made under penalty of perjury, that the information contained in the records is true and correct. Design Professional and any and all subcontractors shall make a certified copy of all payroll records available for inspection by DLSE, the City or any member of the public and otherwise provide certified copies of such records to any of the foregoing within ten (10) days of Design Professional's and subcontractor's receipt of written request therefor. Failure to comply with the above may result in monetary penalties, in accordance with Labor Code Section 1776(d) and (h).

Notwithstanding anything else to the contrary, Design Professional hereby acknowledges that all contractors and subcontractors must be registered with the Department of Industrial Relations (“Department”) pursuant to Labor Code Section 1725.5 in order to be qualified to bid on, be listed in a bid proposal, subject to the requirements of Section 4104 of the Public Contract Code, or engage in the performance of any public work contract as defined in California Labor Code 1720, including this Agreement, that is subject to the payment of prevailing wages. The project is subject to compliance monitoring and enforcement by the Department of Industrial Relations. In accordance with Section 3700 of the Labor Code, Design Professional must secure payment of compensation to all Design Professional’s employees. Design Professional represents and warrants that Design Professional is registered with the Department in the manner prescribed by the Department and has paid the requisite application fee, as required by Labor Code Section 1725.5. Moreover, where applicable, prior to Design Professional entering into any contracts with any subcontractor, Design Professional shall obtain proof that all such subcontractors have also registered with the Department in accordance with Section 1725.5.

42. Right to Independent Investigation. At any time during the term of this Agreement, the City reserves the right to make an independent investigation into the background of Design Professional’s personnel who perform work required in the Scope of Services, including but not limited to their references, character, address history, past employment, education, social security number validation, and criminal or police records, for the purpose of confirming that such personnel are lawfully employed, qualified to provide the subject service or pose a risk to the safety of persons or property in and around the vicinity of the area where work is to be performed. If the City makes a reasonable determination that any of Design Professional’s prospective or then current personnel is deemed objectionable, then the City may notify Design Professional of the same. Design Professional shall not use that personnel to perform work required in the Scope of Services, and if necessary, shall replace him or her with another suitable worker.
