

CITY OF RANCHO MIRAGE ADDENDUM NO. 1

BID PACKET FOR CITYWIDE CRACK SEALING PROJECT NO. C.P. 23-381

**ISSUED:
MARCH 15, 2023**

TO ALL PROSPECTIVE BIDDERS:

GENERAL INSTRUCTIONS:

This Addendum No. 1 (“Addendum”) is being issued subsequent to and as part of the issuance of the City of Rancho Mirage Notice Inviting Sealed Bids for Citywide Crack Sealing, Project No. C.P. 23-381, dated February 21, 2023, and the associated Bid Packet containing Contract Documents and Specifications (collectively, “Bid Packet”), in response to questions from prospective bidders and to provide clarifications. This Addendum constitutes an integral part of the Bid Packet. Where inconsistent with the Bid Packet, this Addendum shall govern. It is the responsibility of all respondents to the Bid Packet to conform to this Addendum. Unless specifically changed herein, all other requirements, terms and conditions of the Bid Packet remain unchanged. All terms capitalized herein shall have the same meaning ascribed to them in the Bid Packet. All respondents must acknowledge receipts of this Addendum and attachment by signing and submitting the Addendum Receipts Sheet that is incorporated below.

The following questions were asked by prospective bidders. The questions along with the corresponding answers provided by the City are listed below.

Question 1: Is there an engineer’s estimate available for this project?

Answer 1: \$185,000 budgeted for this project.

Question 2: Is this bid by paper or there an online/electronic option?

Answer 2: Bid packet can be downloaded online. Paper bids are submitted by US postal mail or hand delivered before the deadline per instructions in the Notice Inviting Bids.

Question 3: Would you kindly be able to provide a copy of the plan holder's list for the above reference project?

Answer 3: See attached plan holders list.

Question 4: Have you considered a job walk on Bob Hope Dr. before the bid opening as there are a lot of alligator cracks? The spec asks to skip alligator cracks and want to make sure we are on the same page.

Answer 4: A job walk is highly recommended, but it is not part of the bidding process. The type and size of cracks to be filled are identified in the specifications. The contractor shall be responsible for having ascertained pertinent site conditions prior to submitting bids.

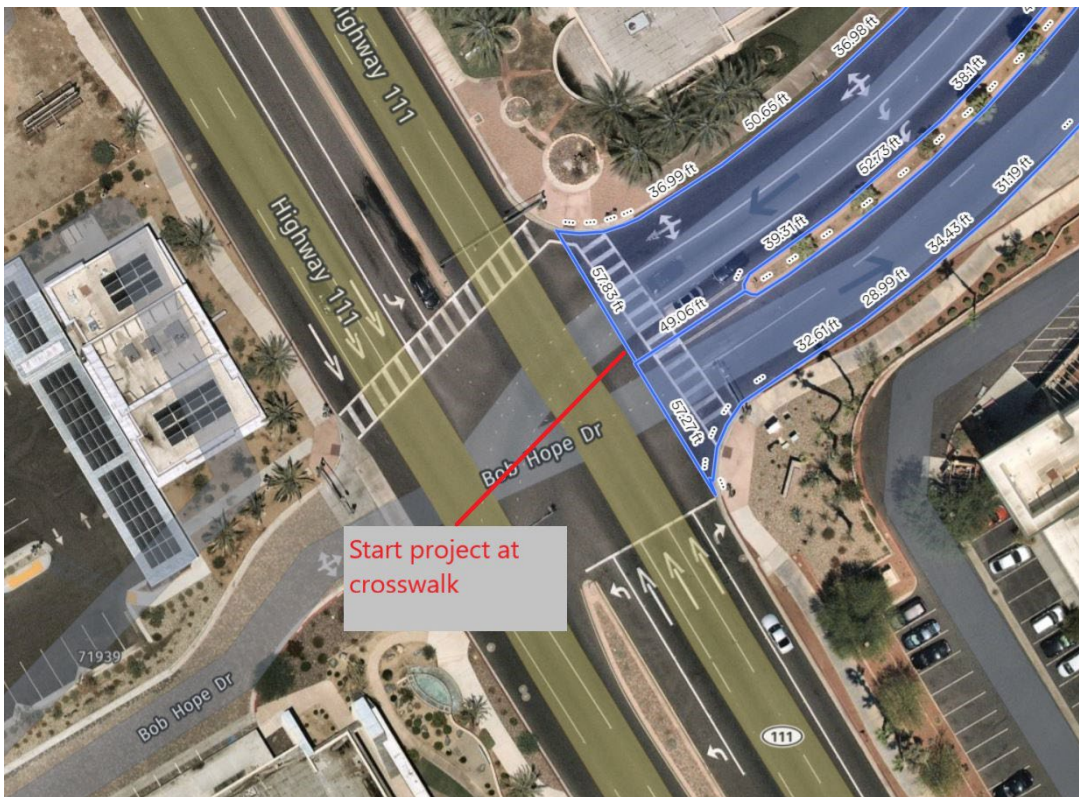

Clarifications:

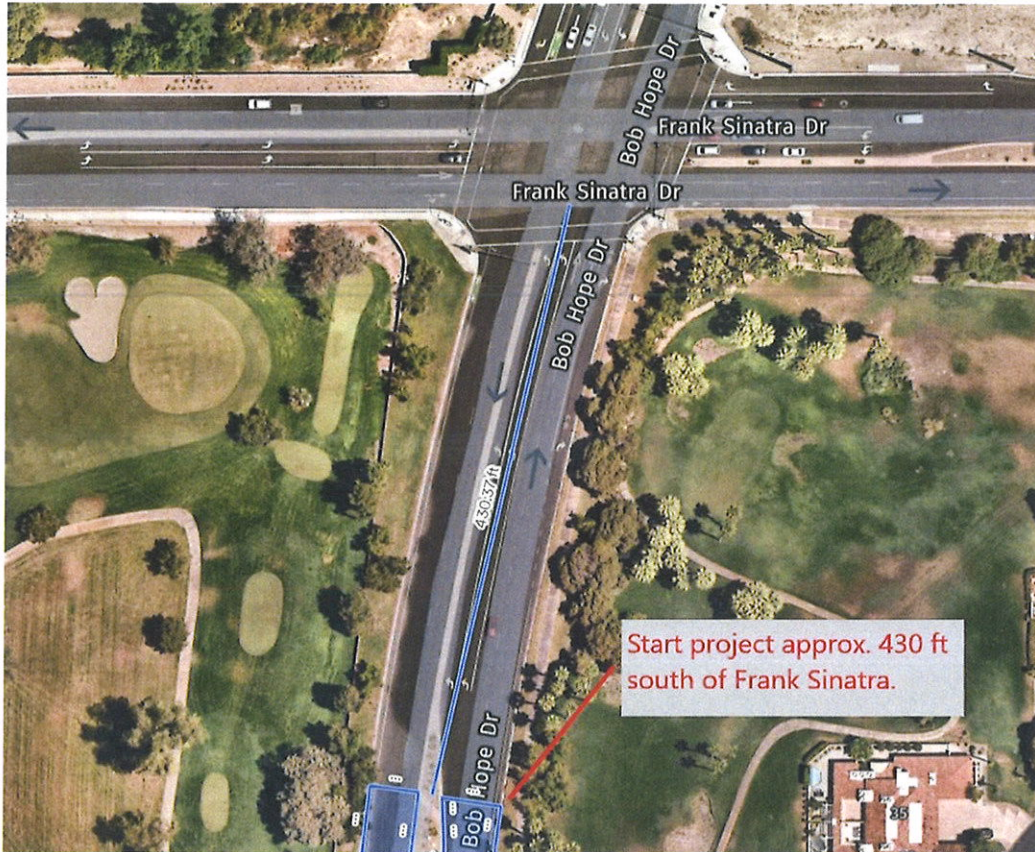

Intersections

Exclude these two major intersections:

- Bob Hope Drive and Highway 111
 - Bob Hope Drive and Frank Sinatra Drive
- See photos below.

All other intersections with Bob Hope Dr. shall be included in the project.

All other project plans and specifications stay the same.

*****END ADDENDUM NO. 1*****

ALL BIDDERS SHALL ACKNOWLEDGE RECEIPT OF THIS ADDENDUM 1 BY SIGNING THE ATTACHED RECEIPT SHEET AND SUBMITTING THE SIGNED SHEET WITH THEIR BID PROPOSAL. FAILURE TO COMPLY MAY BE CAUSE TO CONSIDER THE BID NON-RESPONSIVE.

Sincerely,

Leland E. Cole
City Engineer
